

Every year young men and women end high school careers and transition to new schools, new friends, new studies, and new dreams for their lives ahead. It is a joyful and exciting time, a time to reflect on friendships, accomplishments and new things to come. It is a time when parents and faculty members throughout the Chattanooga region stand proudly, knowing they have prepared their children and students for the next stage in their lives.

Boyd Buchanan

l to r: Tamara Hue, Alexandria Wisner, Breejante Williams, and Jordan Nason
