

The Chattanooga area supports and celebrates women's leadership, volunteerism and community engagement as part of its civic culture. Executive Women International® (EWI) is a global women's organization with an equal focus on connections, careers and community.

At its 14th Annual Barnyard Auction, EWI's Chattanooga Chapter held a live auction and raffle drawings at the Chattanooga Choo Choo Hotel. Proceeds of the event, reaching over \$17,000, will benefit EWI scholarship recipients.
